

### Schedule III (Course Work)

I	Course Work Classes– Duration 90 Hours i) Research Methodology & Bio-statistics ii) Computer Applications CITI India –Online Bioethics course	:	6 credits (C <sub>1</sub> )
II	Course Work Examination	:	2 credits (C <sub>2</sub> )
III	Two courses with Research Supervisors (One on contemporary issues on subject/ topic of research and one on Review of literature relevant to the topic of research undertaken by the student)	:	4 credits (C <sub>3</sub> )
IV	Participation in Conference/ Seminar (Not necessary to present paper)	:	2 credits (C <sub>4</sub> )
V	Seminar Presentation Critical Review, Meta-analysis and Research Proposal including Viva-Voce	:	2 credits (C <sub>5</sub> )

- I. Course Work Classes : A student attending course work class shall be provided following grade score out of the maximum 10 Grade Point Scale (**G<sub>1</sub>**).

Attendance		Grade Point (G <sub>1</sub> )
90% - 100%	:	10
80% - 89%	:	8
70% - 79%	:	6
60% - 69%	:	4
50% - 59%	:	2
Less than 50%	:	0

II. Course Work Examination :

Score		Grade Point (G <sub>2</sub> )
90% - 100%	:	10
80% - 89%	:	8
70% - 79%	:	6
60% - 69%	:	4
50% - 59%	:	2
Less than 50%	:	0

- III. Two courses with Research Supervisors: Respective research guide will award score on the submitted assignment on cumulative 10 Point Grade Scale (G<sub>3</sub>) and certificate of the same is available on Annexure C<sub>8</sub>.
- IV. Participation in Conference/ Seminar: University Research Committee/ Board shall award full score that is 10 Grade Points (G<sub>4</sub>) to the student on production of original certificates of conference/ seminar participation and copy of the same shall be submitted to office by the candidate.
- V. Seminar Presentation: For seminar presentation by the candidate Research Committee shall award score out of 10 point scale (G<sub>5</sub>).

**Formula to Calculate CGPA (Cumulative Grade Point Average):**

$$\text{CGPA} = \frac{C_1 G_1 + C_2 G_2 + C_3 G_3 + C_4 G_4 + C_5 G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

**To be eligible for furthering research a student should score minimum of 5.5 CGPA in the Course Work.**
